

AI Dubbing

How to request your free sample

Step 1: prepare a short video clip

- Maximum 60 seconds
- Maximum 5 GB
- Supported file types: MP4, MOV, WMV

Attached AI Dubbing

Step 2: language selection

Choose one of the following languages for your free AI dubbing sample:

- English
- Dutch
- French
- German

Step 3: submit your video

Submit your video to info@attachedglobal.com

If your file is too large to send directly via e-mail, we recommend using one of the following options:

- [SharePoint](#)
- [Google Drive](#)
- Your [Attached Client portal](#)

Tips to optimize lip sync and audio quality:

Minimum 1080p resolution

Avoid background noise

Preferred frame rate: 25–30 FPS

Only one speaker at a time

Avoid heavy accents if possible

Clear and natural speech

What happens next?

Upon receipt, we'll begin the dubbing process and send you the sample as soon as it's ready.

We'd love to hear your thoughts on the result. Based on your feedback, we can explore any adjustments needed to further align the video with your needs.
